THE DASH BETWEEN THE NUMBERS

Laura J. Ruple

En dash | The Punctuation Guide

You can see that where there is a mixture of whole numbers and fractions in figures, you treat them as one unit and don't put a hyphen between them.

Hyphens with Numbers - Grammar and Punctuation

The en dash is used to represent a span or range of numbers, dates, or time. There should be no space between the en dash and the adjacent material.

Q. What is the difference in usage between an em dash and an en dash? A. I will try to condense the various bits of information scattered throughout CMOS.
