There is only one of them she is close to, Aunt Felicity, who was one of my favourite characters. From one of the UK's biggest crime writers - the man brought you the bestselling Inspector McLean novels - comes a phenomenal new series guaranteed to have your heart in your mouth. The pacing was excellent and added No Time to Cry the growing sense of danger and excitement.

He's been executed - as a single shot to the head. I definitely found myself holding my breath at times and not just because of the fascinating story line but sometimes to try and process what I was reading. No time to cry by James Oswald. Views Read.

More Details I like the way the novel starts as something, an undercover operation: navigation search. She's loyal but not a lapdog, fierce but also flawed and vulnerable at times.
