We are progressively departing from a dependence on the New Testament as the authoritative source of instruction in religion and ethics towards a subjective-style, get-in-touch-with-your-feelings philosophy. Elizabeth Faulkner on June 23, at pm. Categories were then organized, and data collected at later stages in the study were used to add, elaborate, and saturate codes and categories and to identify core phenomena.

The theology of Augustine could not but spawn a dualistic view of reality, which We should start with the assumption that people are searching for authenticity and depth in a barren consumer culture where choices abound, and where people are bombarded daily by false promises of happiness and contentment which ultimately prove to be hollow. The question is, how do I practically do this with family, home, work, church activities, etc.? At the end, out of 60 adults, present that morning, maybe a third advance

to praise and pray.
