I found it worked really well for me - and smelled gorgeous too! I was wrong, and now I want to burst into tears every time I look at my hair or touch it.

If so, how long? I am so glad someone has wrote an article pertaining hair growth.

The next month later I again cut my hair straight. I'm wondering if I should cut it into some sort of bob even though my hair only reaches my shoulders or maybe a centimetre or two above it. Hold me! When you say you want to put something in your everyday, are you referring to moisturizers? I've been trying something someone told me and they said after you shower put conditioner in your hair and keep it in but I just find it greasy and not sure if it works.
