Nussbaum has suggested that while virtue ethics is often
considered to be anti- Enlightenment"suspicious of theory and
respectful of the wisdom embodied in local practices", [19] it
is actually neither fundamentally distinct (and Society), nor
does it qualify as a rival approach to deontology and
utilitarianism. Human Action, Economics, and Ethics.

Aristotle strongly believes that we must not lose sight of the
fact that wealth is to be pursued for the sake of living a
virtuous life, which is what it means to live well, rather
than for its own sake.
