This isn't a book about birth or dying, exactly. This book is meant to help and heal, to make people less afraid, and to encourage them to trust the wisdom they have inside--what they know in their bones. We are in uncharted territory and there is no turning .

This isn't a book about birth or dying, exactly. Nevertheless, he concludes We are in uncharted territory and there is no turning. My hips which have been in constant intense pain require attention soon. Bolen affirms that the price of going into the scary places, of feeling like a piece of green meat on a hook, is high, but worth it.
