It is difficult to determine if the knowledge of the use of medicinal plants is growing or decreasing, but the indications are that the last generation knows more than the present. All ingredients are either wildcrafted, grown and prepared biodynamically, or sourced organically, while supporting small, sustainable, indigenous farmers.

Ithasalsopreventtoworkwelltoprovidesupporttoyourjointsandbones. Children, Nursing Mothers, Pregnant women and other individuals with a known, recorded medical condition needs to consult a doctor before taking this or any other dietary supplements. Minimum inhibitory concentrations found for Peruvian plant extracts ranged from 0.
