But the lectures were a great success, and prompted his intense research into Greek language, poetry, and history which became the foundation for his first publications. He continued to write small pieces, and he continued polishing older poems for reprints in anthologies, and In the Key of Blue which was published the year he died contained one of his earliest homoerotic poems, "Clifton and a Lad's Love. The writing of his memoirs from prompted him to extend his historical survey of homosexuality by a "scientific" psychological-sociological analysis, and throughout he systematically gathered information for A Problem in Modern Ethics which went into proof stages in November, though it was not printed until mid-January in 50 copies. The style too, if always eloquent and picturesque, is rather too continuous. These poems are very thoughtful, very graceful, very interesting, and often pathetic. He commended Mrs Arthur Hugh Clough's essay on Shakespeare's Sonnets but criticized her dependence upon a book by Richard Simpson in which the author "in his attempt And there is a rather more serious weakness.

Yet I do not see, having the root of Calamus within our souls, why we should not
