Birthdays Lyrics by The Beatles

Partly that's because it's so much less than But it's also because we tend to mistake the question for one about ourselves. My birthday.

They say it's your birthday? It's my birthday too, yeah! | Spectator USA

The White Album is reissued at 50, and now sounds a bit like a Radiohead record. It's all too loud and too clean, and therein lies the problem.
