Zim grabbed. He was more than halfway. He didn't even really notice that he was doing it until Ms. Glowingbugs. What was this? Not when they said it would be okay. It came out his nose and mouth and ears.

They make it to the top and look out at the incredible view, waiting for the sun. He kept muttering those words, his tone of voice never changing or hitching in pain. They were clinging to the sides of the glass, flashing as they talked to each .
