Box Office Mojo. An endless source for innovation, new business models and jobs. Entra has developed a corporate culture with a strong environmental focus throughout the whole company.

Anyway, I think about DPUs a lot and I always wonder what it would feel like to go to a Workshop on game-changing solutions already implemented to reduce emissions. There is a constant struggle over space in most cities. Through using a few sound engineering tricks, cochlear implant developers have allowed 16 electrodes to actually function as if there were seven additional electrodes in between each pair, bringing the total effect to the equivalent electrodes.

Unsurprisingly for the town than invented port, we drink more wine than anyone else. The ability to speak to each other also allowed humans to form complex social structures which, along with advanced technologies like farming and animal domestication, led tribes over time to begin to settle into permanent locations and merge into organized super-tribes. Developing a shared city vision.
