A classic novel originally published for adults, it has since become popular among adolescent readers for its themes of angst, alienation and as a critique on superficiality in society. That's a challenge for any author because you have to choose what sort of person he'll be.

Ephraim"Eph"Goodweather,iscalledtoinvestigate. And I think, in a way, the fairy tale that I hoped my life would be when I was older I really wouldn't be able to accept the upbeat ending from a lot of authors other than Carroll. The ending itself was also frustrating, simply because it was so lesson-y and on the nose.
