Because of the lack of one cultural center for all German-speaking lands, the journal was to serve as a medium for rallying a cultural unity. Such journals became an important medium of communication during the late phase of the Enlightenment.

Gesellschaftsstruktur und Semantik. Love in the literature of the Enlightenment. He himself was an acrobat and his wife a rope-dancer, but he brought with him a large company of court comedians and acrobats, who acted jointly in their heterogeneous repertoire, which contained, besides acrobatic tricks, Italian magic lantern plays. This leads to the question this essay is concerned. Very likely his infatuation for Fraulein Lorenz was not of a purely artistic nature.

They had performed French neo-classical plays in German translation at court. den Rahmen meiner Arbeit nicht auszureizen, habe ich Schwerpunkte zu setzen sowie untereinander eine Verbindung herzustellen, versucht. Before philosophical aesthetics united systematic analysis with historical interpretations of art, especially in the works of Schelling and Hegel, two thinkers of the eighteenth century already combined detailed analyses

of art- works with theoretical speculation: Johann Joachim  
Winckelmann and Less- ing.
