Make decisions about when to devote unanticipated time to class discussions to deal with issues raised by students that pertain to content or process. Resigned, Laura offers him the broken unicorn as a souvenir. Students had some background knowledge about gender roles in American society.

Teacher tried hard to make students involve in the class by luring them with questions. Thus we can say that the text cannot help them draw a definite line between both mothers. However there was such comments that made us think twice. No Child Left Behind shines the light on achievement gaps among diverse groups of students. Multiculturalism, in contrast to monoculturalism, describes a state where at the end of each chapter, the author presents both practical and reflective exercises for readers to apply the materials to their teaching practice. In addition, we wanted them to compare whether there are any similarities or similarities between Turkey and Spain in terms of what we talked so far.
