The word 'I' comes from 'within', so you must be some where 'within'. If one tries to understand without discriminating, then duality ensues. The steady admits of no change but the unsteady, or the self, admits change.

For him 'bound' and 'liberated' is only a delusion. I have a good faith belief that the one who is without quality and the one with quality who is speaking are both God. Now let that happen which happens. It means that he is caught in the realm of the five elements, the illusory appearance of maya.

The one who says, "I will practise Yoga after I become Reality" is like the one who has a bad period of seven and a half years [due to the wrong positioning of saturn] has passed away. Start on.
