Life's Gift Song Lyrics Lifes Gift on the wings Lifes Gift an angel I Lifes Gift Light without care, without questioning why Slowly the night seems to fade into grey Day came in time to break my fall Now I'm awake, I can finally see Life's Gift to me is just to be High on the wings of an angel I fly Small is the world from up here in the sky Small all my fears and how precious the years I can hardly see the tears from here Now that I know I am finally free Life's gift to me is just to be I've been trying to please, always longing ease, wondering just what it is Guess I already know Nothing I do will make it so I'm letting go, letting go faithfully Life's gift to me is just to me Lyrics powered by www.
